eClassifieds

The eClassifieds application is used to facilitate buying and selling items within the EMU community. This is the place to post rides to/from somewhere, missing/found items, items for sale, jobs, etc. Anyone viewing the website can post a new listing by clicking on make a new ad. those ads posted by a person not using a valid EMU email address will be reviewed by the EMU staff, as a system for screening potentially inappropriate postings. Such ads are usually processed within a 24-hour (48-hour over weekends) period.
