

Multimedia & AV

Digital Signage

Content for EMU digital signs is handled by the department sponsoring the sign. Information Systems will assist with purchasing and installing the digital sign.

The sponsoring department will cover all costs.

Digital Sign with Web Based Content	Average Cost	Digital Sign with Touchscreen Content	Average Cost
Television <small>(Actual cost based on the size of the tv)</small>	\$400	Touchscreen Display	\$1500-\$2000
Chromestick	\$125	Computer	\$800
Accessories	\$100	Accessories	\$100
Facilities labor (estimate)	\$100	Facilities Labor (estimate)	\$100
IS consulting & labor (estimate)	\$100	IS consulting & labor (estimate)	\$150

Prices are estimates only for budgeting purchases

Event Support

Event services are available for all EMU faculty, staff and students. We are here to support your efforts toward the mission of the university. Due to limited resources, AV services are only available for a fee.

Requesting Service

[Complete the request form for Event Services](#)

Pricing

Rates will increase to \$50/hour on July 1, 2020.

Hourly Rate (Business Hours)	\$20/person hour
Hourly Rate (Off Hours)	\$40/ person hour
Expedite Fee (Less than 5 business days notice)*	\$60

NOTE: On July 1, 2020 pricing will change to \$50/hour.

Expedite Fee

The expedite fee will be applied to any request for a service on a specific date/time with less than 5 business days notice.

Required

Due to the complexity of equipment IS Event Services are required for Lehman Auditorium and Martin Chapel.

Self-Service

Self-service equipment can be reserved at <http://emu.libcal.com>.

Video Recording

Information Systems records events as a part of Event Support. This means that IS is at the event to run sound.

If a video recording is desired when IS is not running sound, you may checkout a video camera from the Helpdesk or work with IS to bring in a videographer.
